

# SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM EMPLOYMENT & TRAINING (SNAP E&T)

SNAP E&T helps SNAP recipients achieve their employment goal by providing opportunities for work experience, education and job retention training activities. One-on-one support is provided through case management to assist with obstacles which prevent individuals from becoming gainfully employed.

**Do you provide SNAP benefits (formerly known as food stamps)?** No. You must apply for SNAP benefits at the Office of Public Assistance. Once you are eligible for SNAP benefits, you are referred to HRDC for the SNAP E&T Program.

**Who is eligible to participate?** SNAP E&T is designed for SNAP recipients in Yellowstone County who are seeking employment.

**What is required of me?** You are required to meet with your Case Manager on a weekly basis and complete 20 hours of employability activities that have been agreed upon by both you and your Case Manager.

**Are there supportive services available?** Yes. On a limited basis as funding allows. Supportive services are available for participants who are in compliance with the program. Case Managers can assist with transportation assistance, interview or work clothing, classes, and other expenses that are directly related to participation in SNAP E&T.

**What will my Case Manager provide?** You and your Case Manager are a team. Together, you will decide what obstacles are preventing you from becoming employed. Your Case Manager is aware of the resources in the community that would benefit you and will provide you with referrals and support to help you overcome those obstacles. The SNAP E&T Case Manager is your ally and truly cares about helping you succeed in becoming self-sufficient.

**How long can I be in the SNAP E&T program?** SNAP E&T services will be available to you, as long as you are in compliance with the program or until you achieve employment. You are free to close your case at any time, however, your SNAP benefits may be affected.
