

Provider Financial Assistance Program Application

Program Description

The Provider Financial Assistance Program (PFAP) is administered by the [Child Care Resource & Referral agency](#). PFAP is offered based on available funding.

The Provider Financial Assistance Program funds can be used for the purposes of:

- Start Up Funds
 - New programs to become fully registered/licensed through the State of Montana; or programs that have become registered/licensed within 6 months of grant application.
 - Licensing compliance such as balance of funds needed for fencing, egress windows, indoor/outdoor equipment, materials, etc.
 - Business equipment such as a computer, printer, and/or software to manage CACFP claims and customer billing, or Sign In/Sign out/Immunization tracking software
- Infant Toddler Expansion Funds
 - Licensed/Registered programs expanding the number of slots for Infants and/or Toddlers, ages 0-36 months. These funds must be specific to materials, additional space to serve these age groups, or to address staff needs to support the expansion.
- Emergency/Natural Disaster Funds
 - Licensed/Registered programs that have experienced an emergency or have health and safety concerns that could affect their ability to provide care.

Funds cannot be used for the following:

- Liability or home/renter's insurance
- Non-childcare specific items for the program
- Training costs

It is a reasonable expectation that purchases including shipping and handling are covered as part of the awarded funds. If awarded these funds, grantees will purchase the approved items and then submit the receipts for reimbursement or choose to have the CCR&R make the purchases and have materials shipped directly to the program.

The Provider Financial Assistance Program funds are available in a single grant award of a minimum \$500, maximum \$3,000 for any program type. One invoice per program can be submitted to ECSB. Exceptions for emergency funds can be made with consultation with and approval from ECSB.

The Provider Financial Assistance Program awards are determined by an award committee and may be less than the application amount. The award committee includes at a minimum CCR&R representation and the Child Care Licensor. The CCR&R may also contact local authorities if there are questions regarding the grant application. If the program has chosen to purchase items and receive reimbursement, once the items are purchased receipts may be submitted to the CCR&R for payment. Reimbursement can be expected within 30 days of receipts being received by the CCR&R.
