2022 Summer Out-of-School Time Child Care Scholarship

The Department of Public Health and Human Services' Early Childhood and Family Support Division (ECFSD) is providing scholarships to working families of elementary-age children to help cover costs of out-of-school programming/child care for the summer months.

Scholarships are limited, one-time grants, with a choice of either $1,500 or $2,500 per eligible child based on a family's summer care costs.

This opportunity is made possible by the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA). ECFSD anticipates a total of 3,200 scholarships to be awarded across the state of Montana.
