## What's new

### Crow Food Deliveries help rural households

Lawrence Flatlip III and his mother, Jennifer, applied for Crow Food Commodities last year. Lawrence is disabled and unable to drive to the Distribution Warehouse to receive his commodities.

Both Lawrence and Jennifer live together in Pryor, Montana and were unaware the program did food deliveries. Jennifer does have a vehicle but a monthly trip to Hardin would be difficult to do. It wasn't until she noticed a flyer in the post office that the Crow Food Commodities Program delivered to their town.

Jennifer and Lawrence are so grateful for this delivery service, which has helped reduce traveling costs and provide easier access to their commodities.

The Crow Food Warehouse offers delivery services to elders and individuals who are disabled in Pryor, St. Xavier, Wyola, Lodge Grass, Garryowen and Crow. If you or someone you know could benefit from this program, please contact the commodities warehouse at 406-665-2523 to apply or set up delivery services.

### Deadline for LIHEAP applications is April 30
